witneywood.uk

Our AIMS are:

- Through active work in conjunction with local authorities to improve the natural environment in Witney by clearing, planting and maintaining public footpaths, meadows and riverbanks for the local community to enjoy.
- To manage Deer Park Wood for the benefit of the local community.
- To encourage participation by the community in the group's activities.

All Volunteers have to be a member of WWV to ensure that they are covered by Public Liability and Personal Accident Insurance (Copies of Policy available on request).

All volunteers have to agree to the Health & Safety Guidelines in order to comply with our insurance terms. Members should note that we do not have cover for personal property so all care should be taken when volunteering for us.
